Tejas graduated from the University of Pennsylvania in 1999 with degrees in economics and political science and was also a scholar athlete in Men's varsity tennis. He now lives in Tampa, FL with his wife and 3 kids.

Tejas has over 20 years of real estate investment experience and has successfully completed 6 full-cycle real estate investments in the last 8 years. Throughout his tenure, Tejas has partnered on projects with the country's top real estate groups including ApexOne Investment Partners, Balfour Beatty, and The Collier Group.

Tejas manages an investment group currently invested in 6 multifamily assets with total valuations of \$300m. This group is comprised of 50 investors spanning 7 states in the US.

Tejas enjoys scuba diving, marine research and conservation, competing in triathlons, marathons, and adventure races and has also led and created several non-profits for wildlife conservation, worldwide music education, and athletic camps for under-served kids.
